Good morning! So it's currently about 5:30am and I'm actually awake...who am I! I am so excited for today, more so than I can explain. I think I'm most looking forward to going to the Eiffel Tower because it is one of France's most famous landmarks and just seems pretty cool!

Today we went to Paris! It was one of the most amazing days of my life!

Nutella was the topic of conversation as he grabbed it from the cupboard. "Super!" I said and he replied with "Oui, c'est délicieux...".

At around 12 O'Clock we went out to meet Matt and Théo, this being after a lunch that consisted of snails, yeah those animals that you find in the garden every so often. To my surprise however, they were very tasty.

Don't worry, Mum: We're having a brilliant time. I'll post a few photos soon. We toured a Cheese Festival for several hours, they insisted I should taste wine, cakes, cheese, sausages, more cheese and a little more cheese after that. We only went round once, it took ages, but it was really good. I bought some cheese.

‘This French exchange has been legitimately decent, even though I'm rubbish at speaking French I have managed to speak a little.’
