May 2023

Dear Parent, Carer or Guardian

We are delighted to formally welcome you and your child to The Warriner School.

This is a very exciting time for all of us, as we prepare to welcome 284 new students into our school community. We are well aware that you will have lots of unanswered questions and are sure that the wealth of information contained within this pack will answer most of them. We will also be holding induction events at the end of June and beginning of July in order to answer any further questions that you may have but do please feel free to contact us if you have any concerns in the meantime.

Year 7 represents a very important time for our students as it sets the agenda for their next five to seven years with us. The skills and experiences that they gain over the next twelve months will have a huge impact on their mind-set, their attitude to learning, and hence their final exam outcomes.

It is ever more critical to us that students settle quickly into our school community. We seek to set the highest of standards for everyone from their first day here and support our students fully in working towards meeting them. We care deeply about the wellbeing of all of our students and strive to ensure that they not only grow academically, but also develop as responsible, caring and happy young adults.

We look forward to our journey together over the coming years with great excitement.

Yours sincerely

Dr Annabel Kay
Executive Headteacher

Mrs Sharon Nicholls
Head of School
