**21st September 2022**

Dear Parents, Carers or Guardians

## GCSE P.E. Coursework

Year 11 have recently submitted their GCSE P.E. Coursework, the Personal Exercise Programme. It has been identified that your son/daughter could do with some help in this area based on their recent submission.

Physical Education is made up of 2 parts - Practical and theory. In recent years the practical side of the course has been made harder and harder, making it very difficult to achieve high grades in this area. It is therefore vital that students can maximize their result by gaining as high a mark as possible on the theory papers and the coursework.

We have identified your son/daughter as a student who would benefit from extra PE sessions, in order to help them with their Personal Exercise Programme and help them achieve the highest grade possible. These sessions will take place on **Friday afternoon's, 3.10pm-4.15pm in P1**, and are compulsory. The students will be expected to attend these sessions on **Friday 23<sup>rd</sup> September, 30<sup>th</sup> September, 7<sup>th</sup> October and 14<sup>th</sup> October**.

The sessions will be working through coursework together and giving students 1 to 1 feedback.

It is important to emphasize that this is not a punishment, but a way of ensuring students are as best placed as possible to do well in their GCSE's.

GCSE P.E. comprises 2 years' worth of work into 2 exam papers and additional coursework. This is especially the case given the recent period away from school.

Please contact me if you have any questions about this.

Thank you for your support.
