

Science

Help and Support for GCSE Sciences

Books

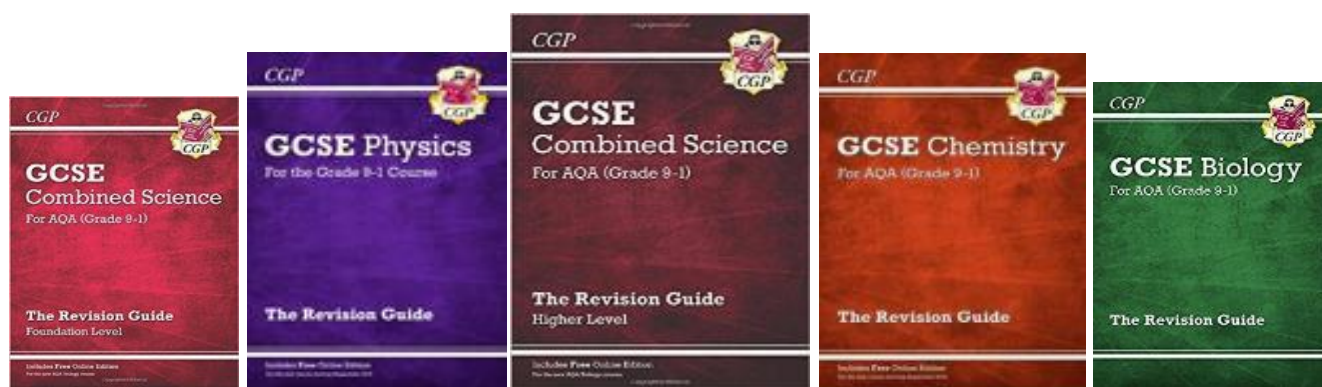

The course books that we use for GCSE Sciences are available on

If any student has forgotten their login details or needs help accessing the website they should see

Dr Mileham in the Science Department.

We also recommend the CGP revision guides. These can be purchased via the School through ParentPay.

Websites

The GCSEPod resources (<https://members.gcsepod.com>) enable students to access a large range of short video clips covering the entire Combined Science and Triple Science courses.

Additionally:

www.bbc.com/bitesize

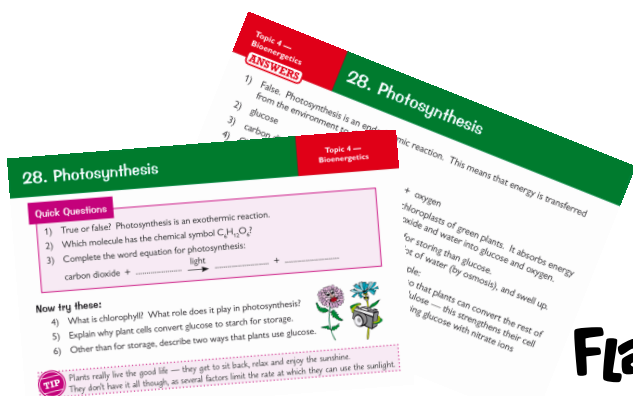

Navigate through to Secondary → (England) GCSE → Biology or Chemistry or Physics

FreeScienceLessons

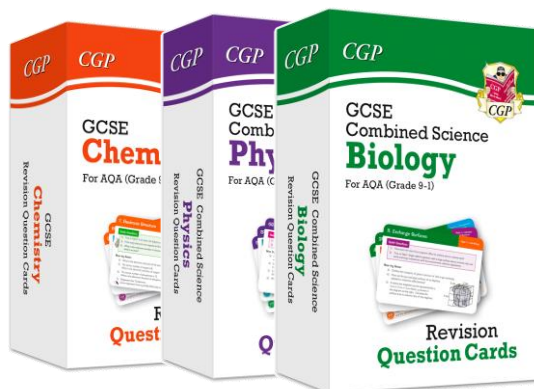

This is a YouTube channel with video clips on every GCSE topic

https://www.youtube.com/channel/UCqbOeHaAUXw9II7sBVG3_bw

Flashcards

CGP Resources also make a range of flashcards for the GCSE Sciences. These can be found at;

https://www.cgpbooks.co.uk/Student/books_gcse_science_aqa_revision_cards

A drop in/help session is available for students in the main Science area on Fridays (Week A) and Thursdays (Week B)
