Executive Headteacher: Dr Annabel Kay
Head of School: Mrs Sharon Nicholls

Teacher of Computer Science and Multimedia required for September 2022 MPS/UPS

“Pupils are polite and show respect to each other as they calmly move around the school site”
“Leaders have a strong moral purpose to match the curriculum to the pupil.” Ofsted January 2018

If you are seeking a life in the country with easy access to Oxford, London and Birmingham, The Warriner School is the ideal location for you. We are situated in the North Oxfordshire village of Bloxham, only a five minute drive from the historic market town of Banbury.

We also benefit from a 120 acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks out for each other, staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff.

The Warriner School enjoys a good reputation locally, with dedicated colleagues and enthusiastic students. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement.

If you would like to visit the school to see us in action we would be very happy to accommodate you.

As a consistently oversubscribed, expanding school we are seeking to appoint an energetic, knowledgeable and enthusiastic teacher of Multimedia/Computing to join our thriving and successful team, working within a highly successful and supportive Computer Science and Multimedia department. As well as teaching an engaging Computer Science and Multimedia curriculum at Key Stage 3 and Computer Science at Key Stage 4, teaching of the Level 3 BTEC in digital in digital games production and A-level Computer Science would be possible for the right candidate. This post would suit experienced teachers as well as NQTs. We would consider part time.

Applications from candidates with relevant industry experience are welcomed.

A job description and application form is available from our website: <https://www.thewarrinerschool.co.uk/vacancies> or Mrs Trish Morgan, PA to Headteacher at recruitment.4007@warriner.oxon.sch.uk

Please note we can only accept CVs as supporting documentation when submitted along with a fully completed school application form.

The Warriner School is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment. The successful candidate will have to meet the requirements of the person specification and will be subject to pre-employment checks including an enhanced DBS check and satisfactory references.

Closing Date: Thursday 9th June **at 1pm**
