

I'm a Music Student; Get Me Out

of Here - Top-Tips for Survival

If you're not currently getting lessons on your instrument it's important that you do for the next 4 months

Listen to music that's connected to your studies

Enjoy playing music either on your own or as part of an ensemble

Spend 10 minutes per day on www.musictheory.net to improve all round theory and aural skills

Get your printed music to Mrs Webb ASAP for approval

Practise your instrument for at least 20 minutes 3 times per week until performance coursework is completed

Attend Music Theory Clinic on a Friday Lunch

Use DRMATSSMITH to listen to unknown music as exam practise

Learn all facts and figures about your two set works

Get involved in the department outside of curriculum lessons
