As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks after each other, both staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff.

We also benefit from a 120-acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

The Warriner School enjoys a good reputation locally, with dedicated colleagues and enthusiastic students. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement.
