Executive Headteacher: Dr Annabel Kay

Head of Social Sciences Required for Easter 2021

MPS/UPS + TLR2(2) £4783

“Pupils are polite and show respect to each other as they calmly move around the school site”

“Leaders have a strong moral purpose to match the curriculum to the pupil.” Ofsted January 2018

If you are seeking a life in the country with easy access to Oxford, London and Birmingham, The Warriner School is the ideal location for you. We are situated in the North Oxfordshire village of Bloxham, only a five minute drive from the historic market town of Banbury.

We also benefit from a 120 acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks after each other, both staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff.

The Warriner School enjoys a good reputation locally, with dedicated colleagues and enthusiastic students. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement.

As a consistently oversubscribed, expanding school we are seeking to appoint a Head of Social Sciences. This role requires a specialism in Psychology. The successful candidate will be responsible for the delivery of high quality teaching and learning for one of our most popular Post 16 subjects. Psychology has a trend of year on year improvement, and we are looking for somebody with the skills and passion to help the subject grow this success.

More widely this role will involve leading the Social Sciences Faculty. This will include the leadership of Business, Sociology and Law. This will involve leading four members of staff to ensure high quality provision and outcomes for these subjects. The faculty has recently seen significant growth and success. Successful candidates will continue this pattern to ensure the success of some of our most popular subjects.

Much of the delivery of the subjects is situated in our dedicated Sixth Form Centre. The Warriner Sixth Form is a purposeful, supportive and growing environment to work in for both students and staff. We welcome applications from those wishing to make a meaningful contribution to the Sixth Form.

A job description and application form is available from our website: <https://www.thewarrinerschool.co.uk/vacancies> or Mrs Trish Morgan, PA to Executive Headteacher at recruitment.4007@warriner.oxon.sch.uk

Please note we can only accept CVs as supporting documentation when submitted along with a fully completed school application form.

All schools within the Warriner MAT are committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment. The successful candidate will have to meet the requirements of the person specification and will be subject to pre-employment checks including an enhanced DBS check and satisfactory references.

Closing Date: Monday 1st February at **1pm**

Interviews will be held, via Teams, on Tuesday 9th February
