If you are seeking a life in the country with easy access to Oxford, London and Birmingham, The Warriner School is the ideal location for you. We are situated in the North Oxfordshire village of Bloxham, only a five minute drive from the historic market town of Banbury.

We also benefit from a 120 acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks after each other, both staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff.

The Warriner School enjoys a good reputation locally, with dedicated colleagues and enthusiastic students. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement.

As a consistently oversubscribed, expanding school we are seeking to appoint an inspiring, creative and committed Assistant Headteacher as an integral part of our Senior Leadership Team.

**To Lead Strategically**

To create and deliver a shared, strategic vision, which motivates and inspires students, staff, governors and members of the wider school community, is critical to school leadership. The vision should be underpinned by shared values, moral purpose and principles of sustainability. It should drive the strategic plan and subsequent actions to secure continuous school improvement and quality outcomes for all students.

- demonstrate the vision and motivation necessary to lead others
- have knowledge and understanding of the principles of quality learning, teaching and assessment
- lead, support and develop a group of departments
