### English Language and Literature A Level

#### Examination Board & Subject Code:

**AQA English Language and Literature: 7707**

**Entry Requirements: GCSE qualification in English Language to the minimum of a Grade 6**

**GCSE qualification in English Literature to a Minimum of a Grade 6**

#### Subject Overview:

This specification has an integrated approach so that students will deepen their understanding of both Language and Literature, and enrich their experience of English. The A-level specification draws on the academic field of Stylistics in order to create an integrated English Language and Literature course which brings together literary and non-literary discourses. The qualification offers opportunities for students to develop their subject expertise by engaging creatively, critically and independently with a wide range of texts. Using literary and linguistic concepts and methods, students analyse literary and non-literary texts in a range of modes and genres, in the process gaining insights into the nature of different discourses and ideas about creativity. Students develop skills as producers and interpreters of language by creating texts themselves and critically reflecting on their own processes of production.
