Executive Headteacher: Dr Annabel Kay

Head of School: Mrs Sharon Nicholls

Farm Manager

“Pupils are polite and show respect to each other as they calmly move around the school site”

“Leaders have a strong moral purpose to match the curriculum to the pupil.” Ofsted January 2018

If you are seeking a life in the country with easy access to Oxford, London and Birmingham, The Warriner School is the ideal location for you. We are situated in the North Oxfordshire village of Bloxham, only a five minute drive from the historic market town of Banbury.

We also benefit from a 120 acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks after each other, both staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff.

The Warriner School enjoys a good reputation locally, with dedicated colleagues and enthusiastic students. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement.

As a consistently oversubscribed expanding school with a forty-seven hectare commercial working farm, we are seeking to appoint a well-qualified and dedicated individual who has a flair for farm business management, can demonstrate high standards of animal welfare and environmentally sustainable farming practices and who is passionate about inspiring an understanding of food, farming and the environment. The successful candidate will be expected to work closely with, and support academic staff, ensuring that the farm resource supports the needs of the curriculum while still being able to drive the financial and environmental sustainability of the farm business. Students are an integral part of the farming operation and a clear understanding of this is vital. The salary for this post is Grade 10, Point 28 to Point 30, with a starting salary of £32,234.

A job description and application form is available from our website: <https://www.thewarrinerschool.co.uk/vacancies> or Mrs Trish Morgan, PA to Headteacher at recruitment.4007@warriner.oxon.sch.uk

Please note we can only accept CVs as supporting documentation when submitted along with a fully completed school application form.

All schools within the Warriner MAT are committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment. The successful candidate will have to meet the requirements of the person specification and will be subject to pre-employment checks including an enhanced DBS check and satisfactory references.

Closing Date: Monday 7th February at **1pm**
