How Can I Help My Child?

- Check your child has a copy of all 4 PLCs, encourage them to go through this, **RED**, **AMBER**, **GREEN** - RAG rating each topic as they look through their exercise books checking that each topic is covered in the required depth.
- Pick a topic which is '**RED**' and using either the GCSE Pod, PiXL App, Revision Guide, revision websites or textbook make a fact file.
- How can my child revise? Mind maps, fact files, glossaries, card sorts, Podcasts, reading and making notes, mini quizzes, timelines are all revision techniques. Once a topic has been revised attempt an exam question - plan it out, look up model exam answers, examiner's guidance and mark schemes.
