“Leaders have a strong moral purpose to match the curriculum to the pupil.” Ofsted January 2018

As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks after each other, both staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff. The role of Teaching Assistant is an excellent starting point for aspiring teachers or for those who wish to have a career improving the academic progress and wellbeing of young people.

We also benefit from a 120-acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

The Warriner School enjoys a good reputation locally, with dedicated colleagues and enthusiastic students. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement. The Warriner School is a popular choice for families in the local area for their children with Special Educational Needs, due to the inclusive ethos of the school and the many opportunities that the school offers. The role allows for staff to develop a wide understanding Special Educational Needs within a mainstream school.

As a consistently oversubscribed, expanding school we are seeking to appoint a well-qualified, enthusiastic and dedicated Teaching Assistant to work five days per week, 29.5 hours, term-time only, to join our thriving and successful team. The salary is Grade 4, scale point 4, £12,538 per annum.
