

Class code: 7W5  
Yellow number on the gym wall: 5  
Churchill House (Blue)  
Head of House: Mr Rogers

This is my first year teaching at The Warriner School but I also came here as a student. I teach Maths which I enjoy because it's all about different types of problems and how we can solve them.

I think it is important to remember that although things will not always be easy whilst at school, if we try our best and ask for help when we need it then everyone can achieve what they want to.

The main hobby I enjoy is music. I play the trumpet/cornet in lots of different ensembles and I know The Warriner School has a great music department to get involved in. I also enjoy nature and being in the outdoors and have also recently adopted a cat called Betty.

The book I'm currently reading is 'How To Avoid A Climate Disaster: The Solutions We Have And The Breakthroughs We Need' by Bill Gates.
