I have been at the Warriner School for 5 years.
I teach French.
I love the enthusiasm of students practising their French in class, getting involved in paired and group work.

As a teacher I am so glad to see how respectful, kind and helpful the Warriner students are. They are always ready to tackle new challenges and are responsible for their own learning.

I enjoy travelling, watching films, reading, going on walks, spending time with my family.

I am currently reading an Agatha Christie novel called Cat Among the Pigeons.
