

Class code: 7E4
Yellow number on the gym wall: 9
Attenborough House (Green)
Head of House: Ms Brown

I have just started teaching at the Warriner School and I am a history teacher. One reason why I love history is because I am fascinated by the past and how it can better help us to understand the present day.

As a teacher and your tutor I want everyone to be ready to learn, to try their best and to enjoy their time together. Additionally, we are respectful to others, and listen to everyone's viewpoints, opinions, questions and answers, making for fun discussions that deepen our learning.

Alongside history, I also love sports. My two favourite sports are football and cricket and I am a big Liverpool FC fan. Additionally, I really enjoy travelling to different countries and experiencing new cultures.

I am currently reading *Berlin Finale* – Heinz Rein
