Words*

I have been teaching English at The Warriner for five years. I enjoy the community spirit, and the friendly welcoming nature of the school.

Always be open to the possibilities of learning! Be READY to explore, have a curious mind, and dive into a journey of discovery. I value mutual respect and encourage individual responsibility.

I am passionate about travelling (especially back home to Australia). I enjoy practising yoga, swimming in the ocean on a hot summers day, cooking (particularly South East Asian cuisine) and reading of course!

I am currently reading: *Homecoming – Voices of the Windrush Generation* by Colin Grant
