

Dear year 6 student,

We are really looking forward to welcoming you to The Warriner School in year 7. My name is Daisy D I am a current year 7 student and wanted to write you a letter to tell you about my first year at The Warriner School.

Before I started, I was most scared about getting lost and getting in trouble for being late.

The school helped me settle in by encouraging us to meet new people and doing activities to help us.

My favourite subjects are science, humanity's and music because my teachers are really fun and helpful and make lessons interesting.

Some different clubs I have joined are choir and the farm I've enjoyed them because at choir we get to do concerts and practice singing and at the farm we get to spend lots of time with the animals and help with jobs there.

My best memory so far is the settlers fair because there was so many fun activities to do with friends, but they are activities you can't do alone so we had to use team work.

What I love most about The Warriner School is how many actives and opportunities there are. My advice to you, as a new year 7 is take opportunities and go the clubs because you can meet new people and make more friends.

Good luck
