I have been at The Warriner School for 4 years. I teach Geography and I am the Professional Tutor which means I help support the new teachers to settle into teaching at a new school. I really like the friendly atmosphere and the views from my classroom!

I love to see children thinking hard and asking questions about the work we are doing. Discussions in class are good fun when students listen and respond to each other. I also find silence “golden” when you are doing more challenging work. Being ready to learn and prepared to be the best you can be in every lesson is something we will aim for in year 7.

I am a sport mad person... please don't ever get me to dance, act or sing! I am heavily involved with Easington Sports Football Club and I coach the under 12s team which is the year group above you. I do like animals also and enjoy listening to the farm animals from my classroom in Spring! I am a dog lover but not mad on cats! We do have two gerbils called Flossie and Dottie but we have not got round to having a dog as I would hate early morning walks in the rain...

Life has been very busy for us all this year. I am not reading a book at the moment but do like detective books, thrillers and sports autobiographies.
