

Dear Year 6 Student,

We are really looking forward to welcoming you to The Warriner School in Year 7. My name is Sam M. I am a current Year 7 student, and wanted to write you a letter to tell you about my experiences during my first year at The Warriner School.

Before I started, I was most scared about organising my work and finishing my homework in time. Although, I got the hang of things really quickly.

The school helped me settle in by giving us two weeks, where we couldn't get detentions for missing equipment or homework, which really helped me to develop a way of remembering everything.

My favourite subjects are Drama and Maths because Drama is really fun and active and Maths is challenging at some points but is rewarding.

I like to visit the school farm at lunch time which I've enjoyed because you get to see all the different animals and help the farm staff.

My best memory so far was the settlers fair where there were loads of fun games and things to do.

What I love most about The Warriner School is meeting new friends and having the opportunity to join loads of fun clubs.

My advice to you, as a new Year 7, is to get to know loads of new people and don't worry about anything because you can always ask someone.

Hope you enjoy your time at the Warriner!

Sam
