Charging and Remissions Policy

Aims

The Directors of The Warriner Multi Academy Trust believes that all pupils in all our schools, should have an equal opportunity to benefit from school activities and visits (curricular and extra curricular) independent of their parents' financial means, consistent with the school's budgetary position. This charging policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

All schools have a statutory duty to have a policy on charging and remissions for school activities, which will be kept under regular review.

Objectives

- To ensure that the circumstances when voluntary contributions may be requested are clear. – *appendix 1*
- To ensure that the circumstances when charges will or will not be made are clear. – *appendix 2*
- To ensure that the circumstances when charges may be waived are made clear – *appendix 3*

Roles and Responsibilities

It is the responsibility of the Central Services Committee of the Board of Directors of the Warriner Multi Academy Trust to review the charging policy and ensure that its statutory duties are met. It is the responsibility of the Head Teachers in each of the WMAT schools, to implement this policy.

Appendix 1 - Voluntary contributions

Separately from the matter of charging, schools may always seek voluntary contributions in order to offer a wide variety of experiences to pupils. All requests for voluntary contributions will emphasise their voluntary nature and the fact that pupils of parents who do not make such contributions will be treated no differently from those who have.

The Law states:

If the activity cannot be funded without voluntary contributions the Governing Body or Headteacher will make this clear to parents from the outset.

No child will be excluded from an activity because his or her parents are unable or unwilling to pay.

If insufficient contributions are received, the trip or activity may have to be cancelled.

If a parent is unwilling or unable to pay their child will still be given an equal chance to go on the visit.

Appendix 3 Remissions policy

In order to remove financial barriers from pupils, the Directors of the WMAT have agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents in particular circumstances and who have requested help. This remissions policy sets out the circumstances in which such charges may be waived or reduced.

Families qualifying for remission or help with charges.

If remission or help is available in relation to a particular charge it is indicated in the right hand column of the table above. Children entitled to Free School Meals will qualify for remission.

To check eligibility for Free School Meals see Oxfordshire County Council Website;

If because of eligibility for Free School Meals or for other reasons you think you may qualify for remissions please contact the Head Teacher at the primary schools and Finance Officer in the secondary schools.

Additional considerations

The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- Where possible we shall publish a list of visits (and their approximate cost) at the beginning of the school year so that parents can plan ahead
- We have established a system for parents to pay in instalments
- When an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip
- We acknowledge that offering opportunities on a 'first pay, first served' basis discriminates against pupils from families on lower incomes and we will avoid that method of selection. Parents will be notified of the policy being used for allocating places.
