Dear Parent, Carer or Guardian

## Year 11 Geography Fieldtrip: Sor Brook

On the 21<sup>st</sup> and 22<sup>nd</sup> of June, Year 11 Geography GCSE students will participate in the first of 2 fieldwork investigations. This will take place in Sor Brook and we will walk to the site from the school. The report that students produce will be examined in Paper 3 which is worth 30% of the GCSE. Students will be out of their normal lessons for the whole day and will be required to catch up work. The days for the classes to participate in the investigation are below. Student will participate in the investigation on their allotted day only and not both days.

**Thursday 21<sup>st</sup> June : 10AG1 and 10DG1**

**Friday 22<sup>nd</sup> June: 10CG1 and 10DG2**

Students will need to arrive at the school to start their assigned days as normal and will return to the school site in time to have lunch as normal, they will catch the buses at 3pm without fail. Students can come in **appropriate clothing for a day that will be spent outdoors** and, in order to participate fully, **a pair of wellies or a pair of shoes/trainers and trousers/shorts that could get wet and muddy**. We also ask students to bring a spare set of clothes that they might change into if they were to get uncomfortably wet. We aim to take pictures of the students working throughout the day and post some on the Warriner Geography Twitter site which can be found @warrinergeog. This helps you to see what has been done during the day as well as to keep you informed. You are welcome to opt out of this if you wish, please simply tick the box at the bottom of the tear off slip.

The cost of this trip is a **£4.50** voluntary contribution per student payable by ParentPay. The slip below should be posted into the finance postbox by the General Office by **Wednesday 6<sup>th</sup> June.**

Yours sincerely,

Simon Hollies, Head of Geography.
