

Subject: Drama	Year Group: 7	Unit: HARRY POTTER
Unit objectives: Students will continue to develop their understanding of the key principles of collaborative working in Drama. They will also begin to develop understanding of new drama terminology, mediums and elements to enable them to approach practical drama tasks knowledge and awareness of success criteria. They will develop knowledge and understanding of how to effectively create characters on stage using vocal and physical skills. They will continue to develop their ability to work successfully as collaborative group workers, honing their skills as both performers and directors through a variety of practical tasks.		

Context for study: Students have previously undertaken the 'Introduction to Drama' Scheme of work which introduced them to the basic principles of characterisation, basic drama terminology relating to character, space and staging. They have experienced working collaboratively with others in a practical setting, working as both leaders and team members on practical performance work, as well as taking on the role of directors in key moments. They have developed their understanding of trust through a series of exercises and have performed work back in front of peers. Throughout the first half term they were also asked to offer advice and feedback through peer evaluation. They have explored the T.I.E SOW on bullying making strong connections with PSHE curriculum and exploring how drama can be used as an educative tool. They have undertaken a Pantomime SOW which introduced the basic principles of the genre whilst continuing to embed the key skill required when approaching different drama concepts and processes. They have also explored basic Drama techniques and have begun to apply them to their work when in the classroom. This SOW both consolidates and extends the learning gains made so far.
