- Pastoral Support Lead
- SEN Administrator
- Lunchtime Supervisor Secondary School
- Cover Supervisor
- Design and Technology Technician

For further information on job description and to apply please visit our website [The Warriner School - Vacancies](#)

Farm Fundraising – Vintage Ploughing Match

The annual ploughing match event will take place on Sunday 1st October from 10.00am until 3.00pm. We would be very grateful for cake donations, just bring them to reception or down to the farm.

If you can volunteer for an hour on the tea and coffee stall that would be amazing too. Please contact m.jones@warriner.oxon.sch.uk if you can help. Many thanks for your support.

Banbury Apprenticeship Fair

On the 12th of October in Lock29 we have the 2nd Banbury Apprenticeship Fair. Apprenticeships are a growing and expanding real pathway for both post 16 and post 18 students. For those looking at viable options next year there is a chance here to see what is out there and what apprenticeships have to offer, in terms of qualifications, support, financially and as a pathway into a career. They are however, quite competitive and for younger years, especially years 9 and 10, it's a great opportunity to gain information to help make themselves a standout applicant and potentially start planning for the future.
