

Dear Parent/Guardian,

The Cherwell District Council Youth Activators will be running an Active Leader Course at The Cooper School during the February half term – Monday 12th February to Thursday 15th February 2024, 9.30am to 3.30pm each day.

This is a practical training course enabling young people aged 14 to 18 years old to become Active Leaders. We use fun activity as a means of doing this, building workplace skills, experience, confidence and identifying next step opportunities. The course includes CPR and first aid awareness, basic safeguarding and risk management, preparation, planning, communication, marketing, budgeting, hands-on delivery and CV development. Sessions aim to be 70% practical with an emphasis on fun, teamwork, problem solving and interactive engagement. Trainers provide encouragement, supervision and feedback.

Each participant will receive printed course materials and a t-shirt. At the end of the course each Active Leader will receive a reference, certificate, 10 CPD points and a pin badge. There will also be opportunities for successful candidates to work for Cherwell District Council in their Activate Holiday Clubs during the school holidays.

The course costs £43 per person. To register your child for the course, please visit the following website and complete the details in the registration form <https://www.activeleaders.co.uk/cherwell-district-council-active-leader-course-at-the-coopers-school-12-15-february-2024-student-registration/>. The form can also be accessed by scanning the QR code in the attached flyer. The deadline for registration is Friday 2nd February 2024.

Kind regards,

Laura Gladdy

(Youth Activator)
