### **Youth Theatre Chipping Norton**

<https://www.chippingnortontheatre.com/tudor-hall>

A wonderful opportunity to join a local Theatre Company - Bursary Places available.

### **Ex Student - Everest Challenge Raising Money for Teenage Cancer**

Alan left The Warriner in 2021 after spending 7 years with us. Having moved to England from Italy in Y7 and having to learn a new language Alan was up against it.

Alan's hard work and dedication to both academic and extra-curricular activities meant that after achieving excellent GCSE and A-Level grades he was able to study aerospace engineering at Swansea where he is in his 2nd year.

Alan completed Bronze, Silver and Gold DofE with The Warriner and this instilled in him a love of adventure.

In September Alan is making the 11 day trek to climb to Everest Base Camp - 17,600ft/5800m above sea level with 50% less oxygen.

He is raising money for Teenage Cancer, and any support we can give as a community would be hugely appreciated. We will post updates of Alan's progress on our social media accounts. There will also be a link sent to his Instagram where you can follow directly. Below is the link to Alan's JustGiving page, and attached is a poster with some words from Alan.

Alan finishes his trip on the 17th of September 2024. We will be welcoming Alan into school during the Autumn term where he will speak to all our students about his journey, not just to Everest but his journey to England and through The Warriner School.
