

"Excellence for all"

Why are we starting our 'Ready for Launch' programme?

At the Warriner, we all share a passion for helping our students to be the very best they can be. We recognise that Year 11 is an important stepping stone in the educational journey for our learners so that they have a breadth of options open to them in the future. The aim of our 'Ready for Launch' programme is to provide additional learning opportunities to best prepare our learners and help them to succeed.

The 'Ready for Launch' programme is a series of afterschool sessions provided by specialist teachers delivering content that helps students to:

- review and consolidate knowledge previously taught,
- review how to answer exam-style questions and understand the demands of the mark scheme,
- think and write like an expert, e.g., a mathematician, an athlete, historian, scientist, geographer.

'Our Ready for Launch programme'

Each session lasts for 60 to 75 minutes. Please log onto Teams five minutes before the start of the session. Start time is 6pm. There will be a 5 minute break during the online session, if the teacher feels it is helpful. All sessions will be recorded. **Please complete the survey link relating to internet access, below.**

The Warriner Code of Conduct for Online Learning.

Please can you:

- Arrive on time.
- Have cameras turned off and mute microphones.
- Remain attentive, no background windows/apps open, etc.
- Only make chat posts that relate to the learning.
- Recognise that for the purposes of sharing all Teams meetings are recorded.
- Be RESPONSIBLE, RESPECTFUL, and READY at all times. Make the most of this great opportunity.

To see if we can help, please complete the short survey on internet access:
