PHYSICAL EDUCATION DEPARTMENT

September 2020

## A-LEVEL PHYSICAL EDUCATION PRACTICAL KIT

Dear Parent, Carer, Guardian

The Physical Education Department continue and take pride in accelerating the progress and achievement within A Physical Education. We consider our students to be key role models to the younger athletes aspiring to take the subject. For this reason, we feel that the Physical Education students should have a heightened identity within the department to replicate a professional image within the subject. On a practical stage, the physical application to sport and performance allows the students to be visible to all members of staff.

In order to raise the profile of our A Level Programme and recognise the valuable part that they play in the Physical Education Department we plan to introduce a new polo shirt, shorts and training top that would feature the Warriner Physical Education Department logo and Physical Education. The students will also have the choice of the maximum 3 initials embroidered into the shirt and shorts. The garments have been shown to the students and they have had a look at different sizes. Each item is an optional purchase, however the purchase of all three will have a reduction price in the printing of initials of £5.40 on the total cost.

Please do not hesitate to contact myself for further information.

Yours sincerely,

Ben Richards

Head of Physical Education
