PHYSICAL EDUCATION DEPARTMENT

September 2020

GCSE DANCE PRACTICAL KIT

Dear Parents, Guardians and Carers,

The Physical Education Department continue and take pride in accelerating the progress and achievement within GCSE Physical Education. We consider our students to be key role models to the younger athletes aspiring to take the subject. For this reason, we feel that the GCSE Dance students should have a heightened identity within the department to replicate a professional image within the subject. On a practical stage, the physical application to sport and performance allows the students to be visible to all members of staff.

In order to raise the profile of our GCSE Programme and recognise the valuable part that they play in the Physical Education Department we plan to introduce a new polo shirt and sports leggings that would feature the Warriner Dance Department logo. The students will also have the choice of the maximum 3 initials embroidered into the shirt and leggings. The garments have been shown to the students and they have assisted in the selection of three garments. Each item is an optional purchase, however the purchase of both will have a reduction price in the printing of initials of £5.40 on the total cost.

The Dance GCSE students have been working with me to choose colours and styles, and this is very much a project driven by them. I am very proud of their initiative and pride in their subject.

Please do not hesitate to contact myself for further information.

Yours sincerely,

Ben Richards

Head of Physical Education
