Year 7 Mathematics Lessons

Dear Parent, Carer or Guardian,

Firstly, I hope your child has settled well into their first few weeks of Maths lessons here at the Warriner and feels challenged and supported in equal measure.

I want to set out our plans for the next few weeks so that you are aware of the rationale behind what your child will be doing in Maths, so that you feel able to support them.

This year we have changed our approach to grouping. Usually we use the KS2 SATS results to group students so that they follow the pathway that is most suitable to their current level of understanding. This year, without SATS, the vast majority of students are in mixed attainment groups and working incredibly well. We will review this approach after October half-term and again at Christmas if necessary.
