

# Attendance Newsletter – April 2025

## Welcome to our Attendance Newsletter

We are pleased that we will be emailing over 800 excellent or improved attendance certificates to parents/carers this week.

This is the last week of our London Marathon incentive and we are pleased to see that school attendance has improved so far over this period. We are now awaiting the final results to see which mentor groups in each year group will be winning bronze, silver or gold prizes next week.

## Attendance Matters

We continue to regularly track student attendance and make contact home where we have concerns. It is not only important learning and personal development that your child misses, but also opportunities to be with their peers and build friendships. Please ensure your child attends school unless they have a genuine reason for absence.

We welcome contact from parents/carers if you have concerns around school attendance – please contact one of our Attendance Liaison Team
