Attendance Newsletter – September 2025

We were pleased to welcome all students back to school and a big welcome to our new year 7 students.

We continue to expect good attendance for all students and acknowledge how important this is for their well-being as well as academic success.
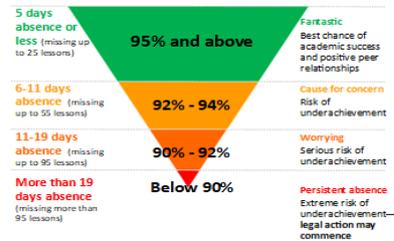

We have moved offices to the front of the Warriner Learning Centre. This is where students must sign in if they are late before 10am and come and speak to us about any problems with attendance.

We have high expectations for attendance, and our attendance target is 95%. It is important for good attendance habits to start from day 1 of the new term so we were pleased to see the vast majority of our students in school last week.
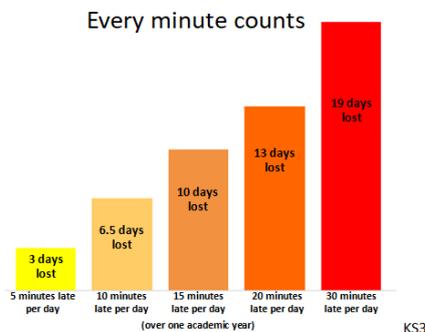

We regularly track student attendance and make contact home where we have concerns. It is not only important learning and personal development that your child misses, but also opportunities to be with their peers and build friendships. Please ensure your child attends school unless they have a genuine reason for absence.

We also ask that you continue to support us with good time keeping. Just being late 5 minutes per day equates to missing 3 school days over the academic year.

Being 30 minutes late per day equates to missing 19 school days over the academic year.

If you feel you need help with your child(ren)'s attendance please contact our Attendance Officer, Beccy Lowe (r.lowe@warriner.oxon.sch.uk), or our attendance Lead, Julia Jackman (j.jackman@warriner.oxon.sch.uk) or our Attendance Support Worker, Hazel Timms (h.timms@warriner.oxon.sch.uk). We keen to help unpick problems relating to school attendance and provide support to enable all students to attend and succeed. We acknowledge that attending school is not straightforward in some circumstances and there is support available.

Thank you for your support.
