

Welcome to our Attendance Newsletter

The aim of this newsletter is to promote improved attendance for the students at The Warriner. As part of our commitment to providing children with the best possible education, experiences and outcomes we regularly monitor children's attendance. Setting good attendance patterns from an early age helps your child later in life, and for every day that your child is absent or late it makes it more difficult for them to progress and achieve their full potential.

Attendance Rewards and Incentives

We are pleased to advise that our attendance continues to improve compared to last year and we thank the school community for supporting us achieve this. To this end, we awarded over 1000 students with excellent or improved attendance house points at the end of Term 3. We hope to sustain these improvements over the coming months.

Attendance Matters

We regularly track student attendance and make contact home where we have concerns. It is not only important learning and personal development that your child misses, but also opportunities to be with their peers and build friendships. Please ensure your child attends school unless they have a genuine reason for absence.

If your child becomes reluctant to attend school, please contact your child's mentor, Assistant Head of Year, Head of Year or our Attendance Liaison Team and seek advice or support at the very earliest opportunity. You can contact our Attendance Officer, Hazel Timms (h.timms@warriner.oxon.sch.uk), our Attendance Support Worker, Pam Lamplugh (p.lamplugh@warriner.oxon.sch.uk) or our Attendance Lead, Julia Jackman (j.jackman@warriner.oxon.sch.uk).

Thank you for your support.
