Attendance Newsletter – September 2026

We were pleased to welcome all students back to school and a big welcome to our new year 7 students.
We continue to expect good attendance for all students and acknowledge how important this is for their well-being as well as academic success.
Our first incentive - All students that have been in 100% for September will be receiving a doughnut on the 2nd Oct.
We currently do not have use of our usual office so are temporarily based in the back of the learning centre. Late sign in is at the general office until further notice.

We have high expectations for attendance, and our attendance target is 95%. It is important for good attendance habits to start from day 1 of the new term so we were pleased to see the vast majority of our students in school so far.

We regularly track student attendance and make contact home where we have concerns. It is not only important learning and personal development that your child misses, but also opportunities to be with their peers and build friendships. Please ensure your child attends school unless they have a genuine reason for absence. We have started the new school year with a new process and staff are likely to be contacting home for all students who are absent to offer support and encourage students in as soon as they feel better. Please remember that we **do not** have a 48-hour policy on sickness, as soon as you are well you can return to school.

We also ask that you continue to support us with good time keeping. Just being late 5 minutes per day equates to missing 3 school days over the academic year.

Being 30 minutes late per day equates to missing 19 school days over the academic year.

If you feel you need help with your child(ren)'s attendance please contact our Attendance Officer, Hazel Timms (h.timms@warriner.oxon.sch.uk) or our attendance Lead, Julia Jackman (j.jackman@warriner.oxon.sch.uk) or our Attendance Support Worker, Pam Lamplugh (p.lamplugh@warriner.oxon.sch.uk). We keen to help unpick problems relating to school attendance and provide support to enable all students to attend and succeed. We acknowledge that attending school is not straightforward in some circumstances and there is support available.

Thank you for your support. More fun incentives will follow next term as well as The Warriner wheel spinning this term.
