

The Admissions Policy for The Warriner School for 2022-2023

Introduction:

The Warriner Multi Academy Trust is the Admissions authority for the school. They have delegated the functions of an Admissions authority to the Admissions Committee of the School's Local Governing Body. The Terms of Reference for this committee are attached in Appendix 4. The process for all admissions including application, waiting lists and appeals will be administered by the Local Authority.

The Admissions criteria for Year 7 are shown in Appendix 1. In-year admissions criteria are set out in Appendix 2. The Admissions criteria for Year 12 are shown in Appendix 3.

Objectives:

1. To meet the requirements of the School Admissions Code 2014, the Trust's funding agreement, Oxfordshire's Coordinated Admissions Scheme and, when appropriate, the Oxfordshire's Fair Access Protocol.
2. To protect the interests of key stakeholders. These are the current staff and students, MAT schools, Partnership schools, potential students and their families who live within the school's designated catchment area and potential students and their families who already have a sibling at the school.
3. To meet the needs of students from beyond the designated catchment area to both meet the requirements of Fair Access and enable the school to remain as close to its published numbers as possible.

Entry to The Warriner School at the beginning of Year 7

In order to be considered for a place at The Warriner School, interested parties must apply via Oxfordshire County Council (OCC). All applications received by OCC by the published deadline will then be considered for a place for the following September. The School, as the delegated Admissions Authority will apply the published admissions criteria for the academic year and allocate places accordingly. OCC will be advised of the allocation and will send out the offers on behalf of the school. If any offers are declined, the school will make these places available in the second round of offers as published by OCC. At this point late applicants can be considered. The school will once again apply its admissions criteria to all applicants and notify OCC of the allocation of places. Any students who have failed to gain a place at this point will remain on the continued interest list. Should any places become available they will be allocated to students on the Continued Interest List, using the school's admissions criteria. For Year 7 the Continued Interest List will remain until 30 June of the academic year of entry. The parent of any student who has been unsuccessful will have the right to appeal in accordance with the School Admissions Appeal Code.

In-year Admissions

Applications for in-year admissions must be made via OCC. All applications will be considered by The Local Governing Body's Admissions Committee and in the event of a place being available, will be offered using the published in-year admissions criteria (Appendix 2). Those who are unsuccessful with in-year applications may place a student's name on the Continued Interest list (waiting list). The

The Warriner School

Continued Interest list will be maintained until 30 June for the academic year of entry.

Appeals

The parent of any student who is unsuccessful with an application has the right to appeal in accordance with the School Admissions Appeal Code. Appeal forms are available from Oxfordshire County Council (O.C.C.) website and should be returned to OCC.

Sixth Form Admissions Criteria Year 12 and 13

All students who are on roll at The Warriner School in Year 11 at the time of application and will complete Year 11 to the required standard are automatically offered places in Year 12 if they achieve the entry requirements for the Sixth Form as outlined in “The Warriner School Sixth Form Prospectus”. If a Warriner student does not take up this offer but decides after 1 September that he or she wishes to return to the Sixth Form, he or she will join the waiting list and will only be offered a place if one becomes available under the terms of the published Oversubscription Criteria.

Monitoring and Evaluation

This policy will be reviewed annually to ensure that The Warriner School is working in accordance with the School Admissions Code 2014 and Fair Access guidelines. The review will also include an assessment of whether the school’s key stakeholders are able to gain access to the school.

Policy Review

This policy will be reviewed annually by The Warriner School Admissions Committee.

Siblings

Sibling is defined in these arrangements as children who live as brother or sister at the same residence, including natural brothers or sisters, adopted siblings, step siblings and foster siblings. This does not include other relatives at the same address.

NB: Proof of identity and parental responsibility may be requested.

Time of Entry

The admission rules give some priority to those with a brother or sister attending The Warriner School at the applicant’s “time of entry”. This means that in the normal admissions round there will be no sibling connection for admission purposes for the following:

- Applicants for entry to Year 7 if they have a brother or sister in Year 13
- Applicants for entry to Year 7 if they have a brother or sister in Year 11 and there is no expressed intention of staying on into Year 12

Where an application is unsuccessful parents have the right to appeal to an independent appeals panel. The details of this process will be sent out at the time of the decision to refuse a place.

The Warriner School

Home Address

The address on the application should be the child's address at the time of application. This is the address at which the child spends the majority of term-time school nights (Sunday night to Thursday night).

Change of Address

Changes of address which occur after the closing date may be taken into account if proof of this change is provided by the date published in the LA's Admissions Rules.

To confirm a new address one of the following is required:

- A solicitor's letter advising contracts have been exchanged (if the property is being purchased); or
- A copy of a tenancy agreement (if the property is to be rented). If this tenancy agreement comes to an end before the September of the year of admission the address may not be accepted for admissions purposes; or
- A copy of a Council Tax Bill showing the same name(s) as in Section 5 of the CAF.

Parents may also be asked to provide proof of address from correspondence they have received from HM Revenue & Customs, Child Benefit Division or Tax Credits Division. Such correspondence must pre-date the application. The Local Authority will act as The Warriner School's agent in establishing a child's address.

Multiple Addresses

Where children spend time with parents at more than one address then the address given on the form should be the one that they live at (i.e. sleep at) for the majority of term-time school nights (Sunday night to Thursday night). If children spend time equally at different addresses then this should be declared in writing and signed by all parties with parental responsibility. Proof of the living arrangements (i.e. a court decision) may be requested together with confirmation of an address that has been given. If it is accepted by The Warriner School that a child spends time equally at two different addresses (for example, one week with each parent in turn during term-times), the address used for admissions purposes will be the address most favourable (i.e. closest) to the first preference requested.

The Local Authority will act as The Warriner School's agent in establishing the home address.

Fraudulent Applications

If a place has been obtained on the basis of a fraudulent or intentionally misleading application (for example, a false claim to residence in a designated/ catchment area) and this results in the denial of a place to a child with a stronger claim, the admission authority for the school may withdraw the offer of the place. This follows the guidance in paragraphs 2.12 and 2.13 of the School Admissions Code 2014 published by the Department for Education:

The Warriner School

“[2.12] An admission authority **must not** withdraw an offer of a place unless it has been offered in error, parents have not responded within a reasonable amount of time, or it is established that the offer was obtained through a fraudulent or intentionally misleading application. Where the parent has not responded to the offer, the admission authority **must** give the parent a further opportunity to respond and explain that the offer may be withdrawn if they do not. Where an offer is withdrawn on the basis of misleading information, the application **must** be considered afresh, and a right of appeal offered if an offer is refused.

[2.13] A school **must not** withdraw a place once a child has started at the school, except where that place was fraudulently obtained. In deciding whether to withdraw the place, the length of time that the child had been at the school **must** be taken into account. For example, it might be considered appropriate to withdraw the place if the child has been at the school for less than one term.”

The Local Authority will act as The Warriner School’s agent in establishing whether a place has been obtained on the basis of a fraudulent or intentionally misleading application

THE ADMISSION RULES FOR THE WARRINER SCHOOL FOR ENTRY TO YEAR 7 IN 2022-2023

There are 284 places available at The Warriner School in Year 7.
The admission rules are shown below in descending order of priority.

In accordance with legal requirements, children who have an Education, Health and Care Plan (EHCP), naming a particular school in Part 4 of that Statement will be admitted to that school.

1. Children who are looked after by a local authority within the meaning of section 22 of the Children Act 1989 at the time of their application and previously looked after children.
The term “previously looked after children” refers only to children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order).
2. Children who live in the designated area, attend one of The Warriner Partnership of schools and have a sibling at The Warriner School at the time of entry. *
3. Children who live in the designated area, attend one of The Warriner Partnership of schools and do not have a sibling at The Warriner School at the time of entry.
4. Children who live in the designated area and have a sibling at The Warriner School at the time of entry but do not attend one of The Warriner Partnership of schools. *
5. Children who live in the designated area but do not attend one of The Warriner Partnership of schools and do not have a sibling at The Warriner School at the time of entry.
6. Children who do not live in the designated area but attend one of the primary schools within the Warriner Multi Academy Trust # and have a sibling attending The Warriner School at the time of entry.
7. Children who do not live in the designated area but attend one of the primary schools within the Warriner Multi Academy Trust # and do not have a sibling attending The Warriner School at the time of entry.
8. Children who attend one of The Warriner Partnership of schools and have a sibling at The Warriner School at the time of entry but do not live in the designated area.
9. Children who attend one of The Warriner Partnership of schools but do not live in the designated area and do not have a sibling at The Warriner School at the time of entry.
10. Children who have a sibling at The Warriner School at the time of entry but do not attend one of The Warriner Partnership of schools and do not live in the designated area.

The Warriner School

11. Children of a member of staff who has been employed at the school for two or more years at the time at which the application for admission to the school is made.

12. Children who live closest to the school, measured in a straight line, as defined on the LA's Geographical Information system

* The sibling criterion does not apply where the older sibling has joined The Warriner School having been permanently excluded from another school or via a managed move.

If in categories 2-12 above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. Distance is measured from the child's home address to the front gates of the school in a straight line, using the LA's Geographical Information System.

Random allocation will be used as a tie-break in category 2-12 above to decide who has highest priority for admission if the distance between two children's homes and the school is the same. This process will be independently verified.

Tie break will not be applied to multiple birth siblings from the same family tied for the final place. We will admit them all.

A list of schools within the Trust and to whom this category applies is available on The Warriner School website. Other schools may join the Trust before the closing date for applications – and pupils attending the schools that have converted formally to academy status within the Trust, or who have received their Academy Order by the closing date for on-line applications to O.C.C. Admissions, will be included within this category.

THE IN-YEAR ADMISSION RULES FOR THE WARRINER SCHOOL FOR ENTRY 2022-2023

There are 284 places available at The Warriner School in Year 7, Year 8 and year 9. There are 256 places available in year 10 and year 11.

In accordance with legal requirements, children who have an Education, Health and Care Plan (EHCP), naming a particular school in Part 4 of that Statement will be admitted to that school.

The admission rules are shown below in descending order of priority. These are only applied where there are more applicants than places, at the time of consideration, for the relevant year group.

1. Children who are looked after by a local authority within the meaning of section 22 of the Children Act 1989 at the time of their application and previously looked after children. The term “previously looked after children” refers only to children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
2. Children who live in the designated area who would have a sibling at the school at the time of entry. *
3. Children who live in the designated area who would not have a sibling at the school at the time of entry.
4. Children who have a sibling at the school at the time of entry and do not live in the designated area.
5. Children of a member of staff who has been employed at the school for two or more years at the time at which the application for admission to the school is made.
6. Children who live closest to the school measured in a straight line, as defined on the LA’s Geographical Information system-

* The sibling criterion does not apply where the older sibling has joined The Warriner School having been permanently excluded from another school or via a managed move.

Please note that for criteria 1 to 6, if the number of applicants in a particular category exceeds the number of places available priority will be given to those who live closest to the school. Distance is measured from the child’s home address to the front gates of the school in a straight line, using the LA’s Geographical Information System.

In-Year admissions are managed in accordance with O.C.C. In-Year Scheme.

Random allocation will be used as a tie-break in category ‘2-6’ above to decide who has highest
The Warriner School/Statutory

priority for admission if the distance between two children's homes and the school is the same. This process will be independently verified.

Where an application is unsuccessful parents have the right to appeal to an independent appeals panel. The details of this process will be sent out at the time of the decision to refuse a place.

THE SIXTH FORM ADMISSION POLICY FOR ENTRY IN 2022- 2023

Students entering the Sixth Form must follow a minimum of three advanced level courses which run over Years 12 and 13.

The entry requirement for chosen courses of A Level study is a grade of at least a 6; all students entering the Sixth Form must also have achieved at least a grade 5 in English and Mathematics. Students wishing to study Further Maths will need a minimum of a grade 7 and permission from the Head of Maths. For courses that have no associated GCSE (e.g. Psychology) the grades achieved in other GCSE subjects will be taken into consideration, please refer to subject specific information in the Sixth Form Handbook for further details. In certain situations, students may be advised to change their subject choices if their academic profile suggests their choices may not be appropriate as a combination. The option to study four courses at The Warriner School is at the discretion of the Head of Sixth Form.

All students who are on roll at The Warriner School in Year 11 at the time of application and will complete Year 11 to the required standard are automatically offered places in Year 12 if they achieve the entry requirements for the Sixth Form as outlined above and detailed in the prospectus. If a Warriner student does not take up this offer but decides after 1 September that he/she wishes to return to the Sixth Form, he/she will join the waiting list and will only be offered a place if one becomes available under the terms of the published external applicants Oversubscription Criteria.

Applications may be made by completing paper forms or online under the Sixth Form link on our website at www.thewarrinerschool.co.uk. All applicants, including applicants from The Warriner School, must return the paper form or submit an online application by the published date.

Late Applications

Applicants who fulfil the entry requirements whose applications are received after the published deadline will be treated as lower priority than those applications received on time, in the initial allocation of places in February (please see information below on waiting lists).

If an applicant is offered a place after the usual starting date of 1 September, he or she will normally be expected to take up this place within one week of the date of the offer.

Offers of Places

All applicants who meet the entry criteria detailed in our current prospectus will be offered the opportunity for an information and guidance discussion with a senior member of staff at The Warriner School in order to agree the most suitable courses. Following these discussions, successful applicants will be sent provisional offers of places for the agreed courses, subject to places being available and receipt of a reference from the applicant's current school confirming their suitability for study in the relevant courses and pathway. If there are more applicants than available places the Governors'

The Warriner School

Admissions Committee will rank all external applications received by the deadline in order of priority as described below in the Oversubscription Criteria.

Any applicants to whom we cannot offer a place will be notified and if appropriate, given the opportunity to put their names on the waiting list.

The Governors have the right to withdraw an offer of a place where it is found that:

- the offer of a place has been obtained through a fraudulent or intentionally misleading application, for example, the use of an inappropriate home address; or
- the parent/carer has not responded to the offer within a reasonable period of time of the offer being made and after a reminder has been issued.

If an application is withdrawn for any reason or an offer of a place at The Warriner School is declined the Head of Sixth Form must be notified immediately in writing.

Any change of the student's home address must be notified immediately in writing to the Head of Sixth Form.

Waiting Lists

If an offer cannot be made in the initial round because there have been more applications than available places in the Sixth Form at The Warriner School, applicants are encouraged to request that their name is placed on the waiting list. This waiting list is held until 31 December of the academic year of entry. It is likely that further places can be offered after February of the year of application and considerable movement in the waiting list is to be expected between the initial offer date and the publication of GCSE results in August.

If places do become available after February, the waiting list, including late applicants, will be re-ranked strictly in accordance with the published Oversubscription Criteria and the applicant who ranks highest at that time will be offered a provisional place subject to the entry criteria above.

Appeals

The parents or carers of a young person who has been unsuccessful in gaining a place at The Warriner School Sixth Form may appeal to an Independent Appeals Panel. The young person himself/herself also has the right to appeal; if both appeal separately, the appeals will be heard together. The Independent Appeal Panel's procedures are in accordance with the Schools Standards and Framework Act 1998 and the Appeals Code.

Parents, carers or young people wishing to appeal should write, setting out the grounds for their appeal, to the Clerk to the Governing Body of The Warriner School within 20 school days of receipt of confirmation that their application was unsuccessful. Appellants will receive at least 10 school days' notice of the date of their appeal hearing but in exceptional circumstances appellants have the right to waive this notice. Decisions will usually be communicated to appellants within five school days of the hearing.

The Warriner School

Appeals for the sixth form will not be heard before confirmation of the examination results on which the offer of a place depends. Such appeals will be heard within 30 school days of being lodged.

Appeals lodged after the deadline for lodging appeals will be heard as soon as is reasonably practical.

Any additional evidence which appellants wish to submit after lodging an appeal must be in writing and must be submitted within five days before the hearing to allow for efficient administration of the appeal hearing. Any information or evidence not submitted by this deadline might not be considered at the appeal.

The appellant is invited to attend the hearing of their appeal and make their case to the panel, although if this invitation is declined the appeal may be heard on the basis of written evidence only. Appellants may be represented by or accompanied by a friend. The school must be informed in advance if any witnesses are to be called or representatives are to attend the hearing. Whether an appeal is successful is likely to depend on the merits of the case. Further information on appeals is available on request from the school.

Only one appeal is permitted in respect of the same academic year unless, in exceptional circumstances, a second application has been accepted because of significant and material changes in circumstances (e.g. a change which puts the applicant in a higher oversubscription category).

Oversubscription Criteria for External applicants

All students who are on roll at The Warriner School in Year 11 at the time of application and will complete Year 11 to the required standard are automatically offered places in Year 12 if they achieve the entry requirements for the Sixth Form as detailed in the prospectus.

The Warriner School have a Published Admission Number for external students of 50. This means that in addition to our internal applicants we will offer a minimum of 50 places to external candidates who fully meet the academic entry requirement providing there are sufficient applications.

In the event that the number of external applicants who fully meet the entry requirements to The Warriner School Sixth Form exceeds the Published Admission Number, the oversubscription criteria will be applied for all external applicants.

The purpose of the published oversubscription criteria is to give everyone a fair opportunity to apply for a place in the Sixth Form. The Governors' Admissions Committee takes considerable time and the utmost care to ensure that the system is applied fairly. The Governing Body have the authority to determine whether an applicant meets the criteria for admission.

In accordance with legal requirements, children who have an Education, Health and Care Plan (EHCP), naming a particular school in Part 4 of that Statement will be admitted to that school.

The Warriner School

Where there are more applications than places students who fulfil the academic entry criteria will be offered provisional places, subject to availability in the agreed pathway and courses, in the following order of priority:

1. Children who are looked after by a local authority within the meaning of section 22 of the Children Act 1989 at the time of their application and previously looked after children. The term “previously looked after children” refers only to children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
2. Students who live in the catchment area of The Warriner School and have a sibling on roll at The Warriner School at the date of application who is likely to remain on roll at the date of admission.
3. Students who live in the catchment area of The Warriner School and do not have a sibling on roll at The Warriner School at the date of application who is likely to remain on roll at the date of admission.
4. Students who do not live in the catchment area of The Warriner School but have a sibling on roll at The Warriner School at the date of application who is likely to remain on roll at the date of admission.
5. Students who do not live in the catchment area of The Warriner School but attend one of the secondary schools within the Warriner Multi Academy Trust, should one exist at the time of application.
6. Students whose home is nearest the school by the shortest direct line.

Definitions:

External applicants

External applicants are those student who apply to the Warriner 6th form who are not on roll at the Warriner at the time of application.

Home

Home is defined as the address where the student usually lives at the time of application and which is the address of the parent or carer who receives Child Benefit for the student. Documentary evidence may be required; please do not send such evidence with the application unless it is specifically requested.

Where parents/carers have shared responsibility for a child and the child normally lives for part of the school week with each parent, the child’s home address will usually be considered to be that of the parent/carers with whom the child lives for the majority of the school week (eg three or more days out of five Monday to Friday during term-time).

The Warriner School

If applications have to be ranked according to distance from home to school, the measurement will be taken using GIS software from the geocode point for each property to the geocode point for the school. In the unlikely event of this software not being available due to circumstances beyond control, the most similar means available will be used which will be consistently applied.

Any change of a student's home address must be notified immediately in writing to the Head of Sixth Form.
