Dear Parent/Guardian

Re: Post 16 Transport to The Warriner School

I am sure you are aware that in response to the need to make further substantial cuts in the Council's expenditure, changes to the home to school transport policy are being implemented.

In parallel with the recently agreed policy changes, we are looking at how we might provide more cost effective transport to meet our current commitments. One way of doing this is to reduce our reliance on dedicated home to school transport and make more use of public transport where this exists. Another is to make sure that we only provide enough seats to accommodate those students who are entitled to free transport, rather than to make concessionary seats available.

I am therefore writing to advise you that if your son/daughter chooses to attend The Warriner School 6th form with effect from September 2015 we will be unable to offer a concessionary place on school transport. Please note that post-16 students are not entitled to free transport.

It will be necessary for you to purchase a Season Ticket directly from Stagecoach for the S4 service. For timetables please go to www.stagecoachbus.com

We do not anticipate that there will be many opportunities to offer concessionary seats on school transport, however, if you would like your son/daughters name to be added to the waiting list, please contact me on the telephone number given below.

Yours sincerely

Val Whiting
Senior Transport Co-ordinator
