Dear Parent, Carer or Guardian

Maths Equipment

We are very excited to welcome everyone back to school. It is lovely to see the students back in their Maths lessons, or in the case of Year 7, it is lovely to meet all of you.

In Maths it is vital to have the right equipment with you every lesson. The list of equipment required for school can be found on The Warriner website [here](#). A scientific calculator is especially important for Maths lessons, along with the geometry equipment.

As a Maths department we will be checking equipment regularly to ensure that there is no loss of learning time when the equipment is needed.

The recommended calculator and a comprehensive geometry set are available to purchase from Parent Pay at the following prices:

- Casio FX-83GTX Scientific Calculator - £8.95
- Oxford Educational Schools Geometry Set in Tin - £1.75
(Contains ruler, protractor, compasses, pencil, sharpener, eraser and more).

There is a deadline of Friday 17th September and these will be ordered and distributed once they arrive.

Kind Regards,

Crispin Hoad
