Dear Parent, Carer or Guardian

Oxford Brookes Invitation to A-Level P.E. Students

On Wednesday 8th December, Oxford Brookes have invited our A-level PE students, year 12 and 13, to their University sports laboratories. While in the laboratories, students will take part in physical learning activities such as, Gait analysis, biodex, CPET, with a small lecture on each. The session aims are to provide students with an insight into life as a student, particularly a sports student.

We hope the session will help students make informed decisions regarding courses at University, along with providing a bigger picture goals for students to work towards while studying A-level PE at the Warriner.

It is important to emphasize that this is a fantastic opportunity for students and I highly recommend students attend, if possible. There will be no charge to you for this trip.

Students will be taken by school minibus and must change at lunch for a prompt 1:15pm departure returning to school for 6:00pm, traffic depending.

Please contact me if you have any questions about this.

Please sign the appropriate section below to let us know if you would like your child to attend.

Thank you for your support.

……

Please return this slip to the Finance Office post box by Friday 22nd November 2021

I **DO**/do **NOT** give my permission for :-
