

How Yondr Works

POUCH

As a student enters school, they place their phone in their assigned Yondr pouch.

SECURE

The pouch is closed and secured. Each student keeps their pouch throughout the day.

EXIT

When leaving school, the student taps their pouch to an unlocking base to release their phone.

Frequently Asked Questions

What if I want to reach my child during the school day?

We want our students to be engaged in their learning. Please refrain from contacting your student during the school day unless it is an emergency. Contact the main office on 01295 720777 to reach your child.

What if there is an emergency?

In case of an emergency, we direct our students to safety first. School staff will be able to unlock a Yondr pouch in a matter of seconds for students once they are in a safe and secure location.

Will my student's phone be safe?

Students are in possession of their phone - in their Yondr pouch - for the entire school day. We will advise students to store the pouch in their backpacks where it is completely safe.

What if the Yondr pouch gets damaged?

The Yondr pouch is property of The Warriner School. If a student damages or tampers with a Yondr pouch, they will be held responsible. The student's phone will be confiscated by the school until a parent/carer comes to the school to pick up their child's phone and a replacement pouch may be assigned. The student will only be allowed to bring a phone back to school if they or their parent/guardian pay the replacement fee for the damaged school property.

Note: Damage consists of any signs that the physical integrity of the pouch has been compromised, whether intentional or unintentional, as determined by the school or Yondr staff.

How can I clean my student's Yondr pouch?

In adherence to CDC guidelines, Yondr pouches can be washed in cold water for a short cycle and dried on a short cycle and/or air dried. Pouches can also be cleaned with a disinfectant cleaner.
