Dear Parents, Carers and Guardians

Re: Year 10 Mock Exams

Three terms of your child's Key Stage 4 journey have already passed. Therefore, we feel it is the right time to assess their progress through Mock Exams conducted under proper exam conditions. These exams will take place between 17th and 25th January 2022.

We wish to identify the strengths in their knowledge and identify the areas that need some re-teaching to address common misconceptions. Each student will benefit from Personal Learning Checklists that profile their current learning.

In these challenging Covid times, we want our students to rest and recuperate over the Christmas holidays to enhance their well-being and for them to be refreshed for a positive start to the Spring Term. Therefore, we are not expecting students to do revision beyond the homework tasks set by their teachers. Mr Evans will be running 'Revision Nights' on Thursdays from 3.15-4.45pm and these start on 6th January.

Before the exams, students will have an assembly on the rules regulating public exams. It is important that students understand the logistical procedures for taking exams at The Warriner School and the strict code of conduct involved. Students have already sat exam papers in the core subjects under exam conditions in Year 9. We like students to experience this environment on several occasions in Key Stage 4, so they become familiar with the atmosphere and are therefore comfortable to perform at their best when the exam season of summer 2023 arrives.

Student well-being is our first and most essential responsibility. Exams do cause pressure and students need support in effectively handling this. Please let us know if your child is getting too anxious about the forthcoming Mocks.

I would like to wish you and your family a happy and safe Christmas.

Yours sincerely

Mr R Eadon
