7 January 2022

Dear Parents, Carers and Guardians,

Happy New Year!

I hope that you all managed to find time to relax and enjoy a well-earned break at some point over the holiday period. There is no doubt that 2021 was a challenging year, in education and more widely, and 2022 looks like it is going to offer up more challenges along the way. However, one thing I have definitely learned over the last 18 months is that The Warriner school community is resilient and committed to ensuring that the education of our young people is at the heart of all we do and 2022 will be no exception.

Anniversary:

Some of you may know that The Warriner School opened 50 (+1) years ago and this Summer we are going to have a 50-year anniversary celebration on Saturday 2nd July. There is a small group of staff and parents already involved in organising this but if you would like to get involved, please let Liz James know: e.james@warriner.oxon.sch.uk More details to follow but it is shaping up to be a great day.

Covid updates:

Thank you for all your support with students carrying out LFD tests before returning to school on Wednesday; testing regularly at home needs to continue until we are told otherwise. Updated guidance this week from the UK Government is that children can return to school after day 7 if they have had negative LFD tests on day 6 and day 7. Also, as per my group call earlier this week, face coverings are strongly advised in school, in all communal areas, the restaurant and classrooms – thank you for supporting this too. Lastly, re Covid, thank you to all staff and volunteers for supporting the two very full days of LFD testing in school. Once more the students were a credit to us all.

Yondr:

I have attached once more the 'frequently asked questions,' Yondr resource. All Year 7-11 students will have their Yondr awareness days next week and we are aiming to launch Yondr on Monday 17th January. Look out for their pouches after this date. As I have said, as a school community, we are looking forward to a phone-free space for our students for a few hours a day and will do all we can to ensure a smooth transition to Yondr.

American Exchange 2022-2023: Students in Years 7 & 8:

If your child would like to be involved in our very popular American Exchange Programme for 2022-23, please have a look at the info here: <https://sites.google.com/view/rrwx-info-uk> and let us know.

I hope you all have a good weekend.

With very best wishes

A handwritten signature in blue ink that reads "S Nicholls". The signature is written in a cursive style with a small dot at the end.

Sharon Nicholls
