Dear Parents, Carers and Guardian,

I hope you have had a good week.

The senior team at school want to say a big 'thank you' for the way that your children have responded to Yondr, our new phone-free lockable pouches. The support has been overwhelmingly positive by the vast majority of our students and their families, so much so that the presenter from BBC Radio Oxford, David Prever, heard about our Yondr initiative and invited Mr Eadon, our Deputy Head of School, on to his early morning show on Wednesday to discuss all things Yondr. If you are interested in hearing the interview, it is available on this link at about 1.38 into the Breakfast Show:

As you will be aware, face coverings from 20 January, are no longer advised for students, staff and visitors in classrooms. From 27 January, face coverings are no longer advised for students, staff and visitors in communal areas. However, from 27 January, staff and students should follow wider advice on face coverings outside of school, including on transport to and from school. Students and staff, though, can still choose to wear a face covering in and around school, that is also absolutely fine to do so.

Again, thank you for the many messages of support for Yondr – they are much appreciated.

I hope you all have a good weekend.

With very best wishes
