8 April 2022

Dear Parents, Carers and Guardians,

I hope this letter finds you well and looking forward to some relaxation time over the holiday period.

Mock Exams

Year 11 & 13 students have finally got to the end of their mock exams and I hope that they went as well as they could for everyone; students have been receiving their results over the last few days and will know the various areas they need to work upon. Teachers have been very clear with students about what they need to do for revision over the Easter holidays and there is a comprehensive Easter revision programme organised for students. Please see Mr Eadon's Year 11 April Newsletter and our website for further details. As well as revising hard, we also want students to relax and enjoy family & social times, so we have encouraged students to include this in their revision timetables. If you have any questions about Easter revision, please contact Mr Eadon for Year 11: r.eadon@warriner.oxon.sch.uk or Mr Smith for Year 13: ma.smith@warriner.oxon.sch.uk

Year 11 students

If you are a parents of a Year 11 student, please also see the detail in the Year 11 April Newsletter from Mr Rafferty and Mr Eadon about exam expectations, our Year 11 Celebration Afternoon, and the Prom.

Whole School Curriculum Day

On 25th April, the first day back after Easter, the majority of our Pankhurst students are off to Thorpe Park to celebrate their victory as winners of the annual House Competition. The rest of the school will take part in a Curriculum Day with each student allocated two subjects that they will study for half a day each. Please see Group Call detail about this day.

Key Stage 3

Overall, this has been a very successful term for our Year 7s, 8s and 9s – lots of hard work and commitment has been seen. There will be assessments next term to check progress for these Year groups and I am sure the students will take their exams seriously after a relaxing Easter break.

The Year 9 Options process is well on its way and I am sure that the vast majority of students will get their first choices for they GCSEs; this is an exciting time for Year 9s and they will learn about their GCSEs next term.

Uniform

Please support us to keep our standards high around our uniform – no trainers please and all students are to wear blazers. There should be no extreme dyed hair colour and facial piercings are not allowed, including nose studs or rings. Here is a link to our uniform code: <https://www.thewarrinerschool.co.uk/uniform>

After Easter, students who do not abide by our uniform rules will receive a Red Card and a detention will be given.

And lastly, a reminder about our summer celebrations:

50th (+1) Celebration Festival

The Warriner School opened in 1971 so we are planning to celebrate the school's 50 +1 years! Please add the date of Saturday 2nd July 2022, 3pm – 11pm, to your diaries and join us, here in the school grounds, in celebrating this landmark. As you would (possibly) expect, this festival will have a 1970s theme (70s dress is not compulsory...), with a line-up of family entertainment, festival food, bars, student performances and music – including a live West End ABBA tribute band to finish the day. We would love to see lots of past, present and future students and their families joining us for what is shaping up to be a fantastic day of festivities. This will be a ticketed event and more details will be coming out very soon. Also, if you know of any past students, who are now further afield, who you think would like to join us, please let them know. Further details will also be found on our website after the Easter holidays.

I hope you all have a good break, with some sunshine thrown in, hopefully.

With very best wishes

Sharon Nicholls

Head of School
