Dear Parent Carer or Guardian

## Year 11 Music Coursework

I am writing to you to let you know about upcoming arrangements for Music Coursework.

Once half term arrives there is no lesson time left to complete outstanding coursework. To that end, I am running coursework catch-up sessions on a Monday after school beginning after the half term break. I am aware this clashes with scheduled Maths sessions, but, the Maths department are aware that I am running these alongside.

If your child has not completed their composition and/or composition logs, then they are expected to attend these Monday sessions; I will be available throughout these sessions to support. If they aren't attending the Music catch-up then there is an expectation that they should continue to go to Maths.

I am also holding a coursework weekend on March 26<sup>th</sup> and March 27<sup>th</sup>. This weekend will be used to mop up any outstanding coursework and to record any performances that have not yet been submitted. This weekend is the final opportunity for ALL students to complete both composition and performance coursework. If all that is required by this point is a recording of their performance, I will make appointments with the required students throughout the duration of the weekend.

Please don't hesitate to get in touch if you have any questions regarding any of the above.

Many thanks

Lynda Webb  
Head of Music
