18/3/22

Dear Head teacher

I am writing to inform you that we will be asking students to wear face masks when attending for immunisation in school. This is being done to reduce the infection risk to our staff and to ensure we are doing the best we can to maintain their health. We have had an increase in staff sickness this week which has meant that we have had to cancel some sessions or have not been able to vaccinate the total consented cohort due to staff shortages. We hope that by reintroducing masks this will reduce transmission and enable sessions to continue.

We will provide masks when students arrive in the session, and they will be able to discard them in the appropriate receptacle when they leave the session.

Yours sincerely

Fiona Singleton RGN, RHV, BSc, Postgrad Dip.| Immunisation Team Operational Manager|Oxford Health
