Dear Parents, Carers and Guardians,

I hope this letter finds you well and that you managed to have a good break over the Easter period. Let us also hope that the sun comes out soon and warms things up!

50th (+1) Celebration Festival

On Saturday 2nd July 2022, 3pm – 11pm, we are holding our 50th anniversary celebration and I just want to give you a few more details.

The day will start at 3pm and go on until 11pm. The day is being planned so that families of past, present and future students can all enjoy (something for everyone we hope) – there will be drama tours of the school, including the farm; memorabilia on display in the library; sports, musical and dance performances by our current students; various food and drink to sample; crazy golf and inflatables for the young at heart; a Dog Show (to include Best in Show); a special performance by an ex-Warriner Indie band and then, finally, finishing the day dancing to a West End ABBA tribute band in a beautiful marque. Ticket prices to be confirmed but these will go on sale in the next 2 weeks. All information will be found on our website from next week. I really hope that you will join us to make this a very special day.

If you joined us for our Year 5 Open Evening last night – ‘thank you’ and I hope you enjoyed it as much as we did. It was so lovely to see so many adults and very keen Year 5 children; I hope the fake drama bruises and science explosions didn’t put you off!

Year 11s & Year 13s start their ‘real’ GCSEs and A Level exams in a few short weeks and teachers have reported just how hard they are working; even during the Easter holidays we saw hundreds of students giving up precious holiday time to be here, revising. This bodes really well for their results in the Summer, and I wish them all well. I also want to thank all the staff who made the Easter revision sessions possible – I know it is appreciated all round.

Mr Eadon has sent out communication around Year 11 plans, including exam support and expectations around attendance when in the exam season; if your child is in Year 11, please read carefully for all the important information you will need to support your child. You can also check our website for this information.

Good luck, too, to all **Year 9s** next week who are sitting their end of Key Stage 3 Core exams and if they have any concerns, please encourage them to speak to their teachers on Tuesday, before the exams start on Wednesday.

Finally, I hope you have a relaxing, extended weekend.

With very best wishes

Sharon Nicholls
