We warmly welcome you to our lovely, friendly and inclusive school, where we encourage a thirst for learning through inspirational and creative teaching in a supportive and engaging environment. We encourage our children to have roots, through which they will grow, but also for them to have the confidence to know they have wings, wings that are as unique as they are, to fly and to flourish in their lives. Come and see for yourself!

'We love the nurturing ethos of this small village school' (Parent June 2022)

'Forest School is such a great asset—a place for children to have fun and explore the outdoors' (Forest School Parent Volunteer—April 2022)

'Every child in this school is known and valued and consequently grows in confidence and achieves well' (SIAMS 2017)

'Bishop Carpenter is a very happy school where pupils learn well together' (Ofsted 2018)
