Leavers' Celebration Afternoon - Thursday 23rd June 12.20pm

I have been running celebration afternoons for Year 11 since you were in Reception, however this one is a little bit more special. This is the year group that has overcome so much and the year group that sets the bar for all those to follow. You have done yourselves proud and it is time to celebrate that. At 12:20pm you line up outside the hall in register order as you would for a fire drill, so we know who we have in.

Before you head into the Hall, we will hand out Leavers' Hoodies and then once in you can sit with friends 'Cafeteria Style'. There will be free drinks and snacks and obviously you have paid for a BBQ item. Once everyone is settled, we have a couple of performances from some students (if they are still up for it) and a video of some of your memories. We have some official awards to present, before we move onto the fun ones, and our Big Raffle. We will then finish up with a full year group karaoke and shirt signing in time to get the buses home one last time. Mr Rafferty.

The Prom - Friday 1st July

In the next couple of days, you will receive your tickets for the Prom. On your ticket is your arrival time. Please can we ask that you all arrive on time in your allocated slot. There will be other students arriving in your time slot so there may be a queue when you arrive. Whilst we do not want to take away your big arrival, please be mindful that we have a lot of students arriving and therefore the sooner your car or other mode of transport pulls away the quicker we get through everyone and the sooner you can all enjoy yourselves!

You will receive with your ticket your food, one soft drink and a dessert token which you will need to give in when collecting your refreshments. Please bring money for additional drinks although there will be bottled water on the tables. Parents and other spectators must be parked in place behind the barriers by 6.15pm even if your arrival time is later. This will stop us having too many cars in the same place and helps to add to the atmosphere for you.

We hope you are looking forward to it as much as we are!

Mrs James.

Sixth Form Induction Days - 27th to 29th June

We are thoroughly looking forward to prospective students joining us for our Sixth Form Induction Days. Students will be able to have a taster of what our Sixth Form is like. They will attend lessons in the subjects that they are looking at studying next year and will listen to a range of talks that are intended to help prepare them for Post 16 education. These three days will help students consolidate their A Level choice. We will start the days at 8.25am and end at 3.00pm. Please refer to the school website for the dress code as we have moved to 'smart casual' attire.

Students that have made an application to join the Sixth Form, should speak to a member of the Sixth Form Leadership Team on GCSE Results Day, to confirm the acceptance of their place.

Sixth Form Minibus

Please be aware that we run a Sixth Form Minibus daily to and from Adderbury and Deddington. If you are interested in this service, please contact j.viggers@warriner.oxon.sch.uk for details on the route and pricing. There is limited availability so please be prompt if you are interested.

We are proud of you! Be the very best you can be!
