Prince of Wales Nursing Cadet Scheme

Develop your life skills, **grow** in confidence and **understand** what it means to work in nursing and health care.

The RCN Prince of Wales Nursing Cadet Scheme gives 16 - 25 year old members of youth organisations, schools & colleges an introduction to potential careers in nursing and health and social care, through health care related learning modules and a clinical observational placement. Delivery will commence in Easter holidays.

When? DELIVERY: 03rd – 06th April @ Oxford Brookes university, Marston Road Campus
PLACEMENTS: May/June 2023 in your local hospital

Who? 16 - 25 year olds in the Oxfordshire area, with an interest in health care

How? Contact Adam Poland or scan the QR code for an application form. Submit form by 20/02/2023.

Why should I consider it?

Volunteer – if you're not a volunteer already, a chance to join, train and volunteer in your local community

Placements – enhance your CV with 20 hours of observational clinical experience and gain insight into health care roles

Practical skills – hands on basic life support, manual handling training and de-escalation skills, whilst also learning about developing your own wellbeing and resilience

Next steps – enhance career awareness for nursing and health care, or further study/apprenticeship
