

Can you help us to complete our
Multi-Sports Games Area?

We've got the talent. We've got the aspirations.
But we need the funds to realise our vision for our school
and village community...

Being aspirational is what our school is all about. We encourage our students to be the best that they can be – whether in the classroom or on the sports field.

To date we have secured £180,000 via Section 106 housing developer contributions and school fundraising for a new Multi-sports Games Area.

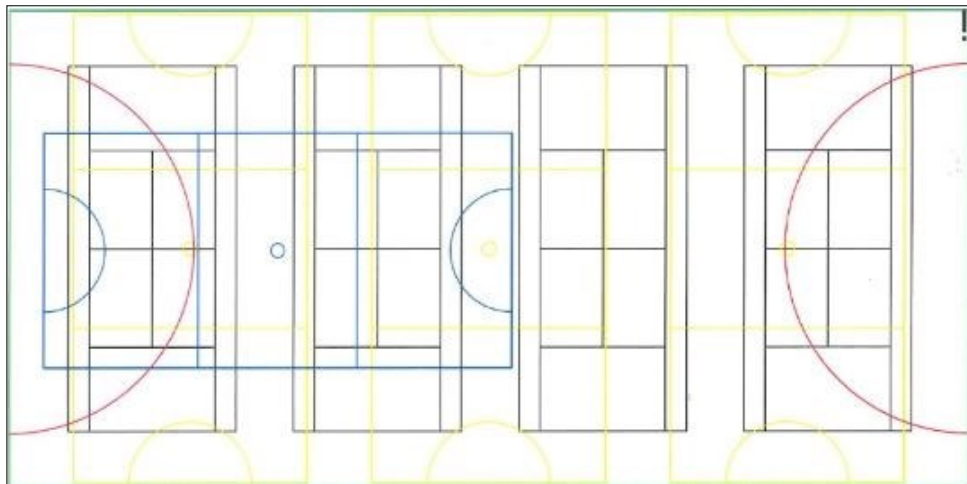

We are now running a fundraising campaign to raise £20,000 so that we can finally make this dream a reality!

This facility will be hugely beneficial, not just for our school, but for Bloxham and our catchment village communities. We already have many local sports clubs eagerly awaiting its completion.

Want to be on our side?

MULTI-SPORTS GAMES AREA

Our old netball courts will soon be transformed into an all-weather, floodlit multi-sports facility.

The upgrade will see the existing courts doubled in size and covered in a Sport England approved multi-sports surface.

This first class games area will provide **4 Tennis courts, 3 Netball courts, 1 tournament Netball court, 3 5-a-side Football pitches and a junior sized Football pitch** that can be enjoyed all year around.

We have worked hard to secure £180k for this development and it promises to be a fabulous asset for both our students and the local village community.

We now need your help to raise £20,000.
